***Soft Soothing Sounds* Announces a New Album *Glisten* by Craig Colley**

Laguna Niguel, CA - *Soft Soothing Sounds* is proud to announce the latest album release from Craig Colley. *Glisten* is now available on YouTube, Spotify, Apple Music, Amazon, iHeart, Pandora, Deezer and wherever you listen to music.

Glisten, an original piano and winter themed music video is tranquil music inspired by the majestic snow-covered mountains, streams and vast valleys of the winter Sierra Nevada mountains in California.

The album consists of 7 new original instrumental piano pieces. Some of the favorites are *Stillness*, *Glisten*, *Snowfall* and *Boundless*. The album is 42 minutes of beautiful, passionate calm, pensive and contemplative cinematic melodies, and lush chord progressions.

It is simply magical how Colley creates his music 'live' with breathtaking artistry. The entire recording is 100% improv and written as it happened.

Listeners of *Glisten* report that it is possible to have consistently productive, upbeat, and grounded days with less stress, anxiety and pain while viewing and listening to the dynamic and beautiful intonations.

"Wow! Love it!"
Sam B.

Colley, a classically trained composer, musician, and videographer created *Glisten* for anyone wishing to witness the winter wonderland of the snow-covered mountains to escape the stress of daily life.

Glisten has already garnered thousands of views on YouTube and can also be viewed on Facebook, Instagram, TikTok and LinkedIn. (*YouTube* - Complete album and music video - <https://www.youtube.com/watch?v=JkkKfl4vjuE>)
